Compatible with all leading UC platform such as ZOOM, Vido, WebEx, Skype for business, Go to meeting, Cisco, chrome-box, Google hangout, etc.

Features:

3M radius	85 dB speaker	3 alternate mics
USB interface –PC, Bluetooth to mobile phone and tablet.	Adaptive echo cancellation	Adaptive human voice tracking

Microphone parameter	
Pick up distance	3M
Built-in microphone	3 Built-in microphones
Microphone frequency	100HZ-8KHZ
Extended microphone	no / not expandable

Speaker	
Maximum output (dB)	85dB
Speaker frequency	100HZ-22KHZ
Audio	
Full duplex	√
Noise suppression (DNR)	√
Automatic Gain (AGC)	√

Connection Interface	
USB Interface	√
3.5 mm interface	√
Bluetooth connection	√
Package	
Product size	135(W)x30(H)x135(D)mm / 250(W)x200(H)x 50(D)mm before / after packing
N/G Weight	0.28/kg0.5kg
Accessory	USB cable(1.8m), Manual,Warranty Card, QC Certificate, 5V Power Adapter

Operating environment	
Applicable system	Windows XP, Windows Vista, Windows 7/8/10,Mac OSX, Android, Linux.
Firmware update	By USB cable via PC
Max power consumption	2.5W
Power	Powered by USB (5V/500mA)
Standard of radio interference	VCCI Level B
Working temperature	0 ~ 40°C
Work Humidity	20-85% (no frost)
Built-in battery	Built-in 1000 mAH lithium battery
Standards	FCC / CE / RoHS
Recommended parameters	
Room size	10-20 Square meter
Participants	3-5
